Before Buying Slackens; Quotations Firm.

Note - Quotations reflect closing sales Friday, March 13.

New York, March 12.—Despite sharp de-clines in various insues in the early trading, it was apparent that no large volume of stocks was pressne, and the shorts re-treated. Under the influence of boying for best secounts prices were marked up in striking fashion.

All of the important shares gained a point or more before the buying sinckened and quotations held firmly. Shares which have recently been targets for bear attacks, such as Chempeake & Ohio, New Haven and New York Central, tick the lead in the unturn.

stocks and strongly. The market closed firm. Bull speculators were content to maintain the list around the earlier high prices and not to force further reduction of the short interest. The speculation flattened out toward the end.
